

Easy-load Pump Head

YZ1515x, YZ2515x

Classic design, simple operation, wide flow range.

PPS housing
(Excellent chemical resistance)

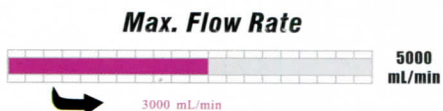

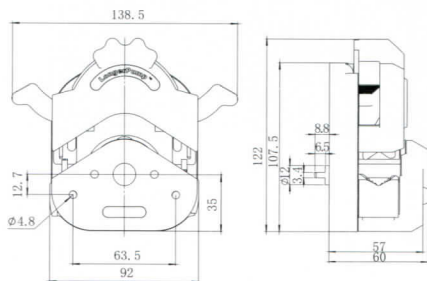

YZ1115, YZ1125

Patented Design

Patent Number: 200620026529.1

Based on the classic design of YZ1515X/YZ2515X, YZ1115/YZ1125 have a special tubing retention linkage which makes tubing loading easily and rapidly. YZ1125 accepts more suitable tubing than YZ2515X and provides a wider flow range.

Tubing Loading Comparison

Tubing clammer needs to be lifted manually
YZ1515x/YZ2515x

Tubing clammer can be automatically opened
YZ1115/YZ1125

Model	Product Code	Roller Number	Roller Material	Housing Material	Speed (rpm)	Tubing	Max. Flow Rate (mL/min)	Weight (kg)
YZ1515x-A	05.01.52A	3	Stainless steel	PESU	≤ 600	13" 14" 19" 16" 25" 17" 18"	2200	0.4
